UNITED STATES DEPARTMENT OF COMMERCE
Under Secretary for Industry and Security
Washington, D.C. 20230

The Honorable Tim Johnson
Chairman, Committee on
Banking, Housing and Urban Affairs
United States Senate
Washington, D.C. 20510

Dear Mr. Chairman:

I hereby report to the Congress the export licensing actions taken by the Department of Commerce's Bureau of Industry and Security (BIS) relating to exports of agricultural commodities to Cuba from January through March 2012. Section 906(b) of the Trade Sanctions Reform and Export Enhancement Act of 2000 (TSRA) (Title IX of Pub. L. 106-387), as amended, requires this report.

During the reporting period, BIS processed 24 notifications under License Exception Agricultural Commodities (AGR) for exports to Cuba. Of these, we approved 23 notifications in an average of seven days. In addition, we returned one notification without action in eight days due to errors made in the notification by the submitter.

Additionally, BIS processed three standard export license applications for exports of AGR-eligible commodities to Cuba during the reporting period. BIS returned these three applications without action in an average of three days to allow the applicants to resubmit the applications as AGR notifications. BIS did not deny any applications for exports of AGR-eligible commodities to Cuba during the reporting period. Enclosed is a chart illustrating these licensing actions.

Sincerely yours,

A handwritten signature in black ink, appearing to read "Eric L. Hirschhorn".
